The Bible is the story of God's glory. Glory is a word used in the Bible to describe God's eternal splendor and majesty. God is described as a sovereign king whose kingdom extends over all the earth. God created us in His image to share His glory. He endowed us with gifts, enabling us to honor Him with our lives. Jesus fulfills God's plan through His birth, death, and resurrection, redeeming us from our sins. Those of us who put our faith in Jesus Christ are given a new heart and are filled with the Spirit of God, enabling us to glorify God through good works.
