Fountain of Life House of Worship Voting Center Information

The runoff election for our city council race is coming up next Tuesday on March 14th. It is too late to mail in your early ballot, but you can drop it off or vote in person. Turnout is low, so we want to make sure everyone participates in our civic process. I won't tell you who to vote for, but it is important to vote by visiting one of the Voting Centers on Monday, March 13th or Tuesday, March 14th.
