Sickle Cell patients are not receiving the same customer service as everyone else when they go to the hospital, so your blood donation is more important than ever!

To ensure we have blood available for Sickle Cell patients in dire need, we hope you can come out and donate in June!

Did you know 70% of Sickle Cell patients are African-American and that African-American patients with sickle cell disease are less likely to have physical reactions to blood donated by other African-Americans?

So don't delay and make your appointment today!

To schedule your appointment, please call 1-800-RED CROSS (1-800-733-2767)  
or visit [redcrossblood.org](https://redcrossblood.org) and use Sponsor Code: **omegapsiphi**
