Vision for 2026: POSSESSING THE PROMISES

Joshua 14:12; Joshua 1:3; Number 13:30; 2 Corinthians 1:20

As the appointed prophet for this house, I am thrilled to declare 2026 is a year of Possessing the Promises. We will possess the promises by winning souls, stepping into our divine destiny, speaking to mountains, and walking in success and prosperity. Each of us will take daily practical steps to “Possess the Promises” of new life in Christ so that our church family grows stronger, our community is transformed, and God’s name is made known and glorified.

We are excited that 2026 is the year we will begin construction of the City of Fountain with the addition of our 48 -unit condominiums and our community center and gym with completion in 2027. The City of Fountain project will not only provide housing for our community, but it will also create job opportunities, be a hub for community development and engagement, offer various sports and other activities for youth in the community, and provide so many other benefits as we promote community engagement in the South Mountain area.

We continue to declare every member of FOLHOW is a 100% tither, and we regularly and consistently bring our gifts to the House of the Lord.

INTENTIONAL SOUL-WINNING AND EVANGELISM

The goal is that each one reach one: creating intentional, loving bridges to bring the lost to a saving relationship with Jesus Christ. Every believer at FOLHOW will passionately and intentionally share the love of Jesus in our daily lives. We commit to reaching out through conversations, invitations, acts of love, and personal testimony so everyone in our sphere has a real opportunity to encounter Christ.

STEP INTO DIVINE DESTINY

To walk in the destiny and purpose God has for us, we will live our lives as faithful stewards of our God-given gifts by walking in obedience so that God is glorified in our lives. We will stay focused and consciously align our daily steps, choices, and talents with God’s Word. We move with boldness from a life of mere existence into a life of supernatural purpose and impact. We will walk in the fulness of our divine assignments by trusting in God’s timing, exercising faith, and fulfilling our purpose.

SPEAK TO MOUNTAINS

No longer will we allow the mountains in our lives which include things such as obstacles, challenges, or any other barriers to cause us to move and operate in fear. We believe the Word and have an unwavering faith that mountains can be moved. Many times, in the past we would only speak and complain about the mountain, but we walk in a season where we will focus on the solution (the Word) rather than magnifying the problem.

WALK IN SUCCESS AND PROSPERITY

We purposefully and consistently live in the flow of prosperity, walking with unwavering confidence and gratitude, attracting success in everything we put our hands to. As we stand on the promises of God, our path is secure, and mountains and obstacles cannot stop our advancement.

I am excited about the future of FOLHOW. Let’s move boldly with confidence and “Possess the Promises!”

With Love, Bishop Russell
